

As part of our ongoing commitment to reducing the number of car journeys made to school through our School Travel Plan we are introducing 'cycle to school contract'. However, so that permission to cycle to school can be given, pupils and parents/guardians must read, understand and agree to the following.

Cycle To School Contract
Riders Guidelines

- Bicycles must be roadworthy.
- Any dangerous or inconsiderate behaviour will mean that permission to cycle to school is withdrawn.
- Children must push their cycle when they are inside school grounds. (Cycling or riding when they are standing on the pedals is very dangerous)
- When crossing roads on their bicycle children should dismount and push their cycle. Riding across the road is dangerous.
- Children must not interfere with any other cycle in the school.
- Children must wear suitable safety aids, a correctly fitting, approved cycle helmet and an easily visible jacket or tabard ideally with reflective material on it as well
- Effective, working lights must be used when appropriate.
- Children must cycle to school regularly.
- Children must have and use a lock for their cycle. The key will be taken home by the adult accompanying the child and brought back at the end of the day.
- Children **must** be accompanied by an adult at all times when cycling to or from school.

I have read and understood the above guide lines of the
'CycleTo School Contract'.

Head Teacher: Miss G. Salter

Parent / Guardian Guidelines

- School will not take any responsibility for the safety of my child, whilst on their journey to or from school, or their bike at any time.
- My child's bike will be locked on the cycle frame at the front of the school. No child will have access to these during the school day.
- I have read, understand and accept the contract for the issue of a cycle to school permit. I give permission for my child to cycle to school according to those rules.
- I understand that the safety of my child during the journey to school is my responsibility and I, or another responsible adult, will cycle to and from school with them daily
- I take full responsibility for my child's bike and will ensure it is adequately insured.
- I understand that if the contract is broken that permission to cycle to school may be withdrawn.
